Cocktails 500

Inside 450m<sup>2</sup>

## Features

Unique waterfront views

Multimedia capabilities

Once a year only, from mid-November to mid-December, this magnificent silk-lined marquee is erected on the museum's north wharf and offers endless possibilities for end-of-year parties.

On the water's edge of one of the most beautiful harbours in the world, the marquee lends itself to live entertainment with dancing, theming and special lighting effects.
